Nebraska Brewing Company Distributes to New York

World Class in Every Glass

(Papillion, NE) – Nebraska Brewing Company has signed a distribution agreement with Union Beer Distributors in Brooklyn, NY. On and off premise retailers in the entire State of New York are now able to order and serve Nebraska Brewing Company’s product suite of draft and bottled Reserve Series Craft Beers.

Paul Kavulak, President of Nebraska Brewing Company stated: “We believe highly populated areas and areas with a broad appreciation for Craft Beer in general are perfect for our beers.” He also noted, “Additionally, Union Beer Distributing is a very well educated advocate of Craft Beer brands and has a proven track record of representing products such as ours in a diverse marketplace.”

Distribution will begin in approximately Mid-March and a list of brands can be found both on our website, www.nebraskabrewingco.com and on the Union Beer Distributors website www.greatbrewers.com.

"Union Beer has consistently strived to bring the best beers from around the globe to the New York metro area, and the Nebraska Brewing Company line of fine ales fits perfectly into our portfolio. The craft beer market here has quickly evolved into one of the country's best. Our consumers have exceedingly high expectations, and we are pleased to bring this outstanding brewery to the market." Said Robert Hodson of Union Beer Distributors in New York.

Paul and Kim Kavulak co-founded Nebraska Brewing Company in November of 2007. Since that time, Nebraska Brewing Company has established itself as a Midwest Innovator of quality Craft Beers and artisanal Barrel-Aged Products. Building on a reputation for quality, flavor, and creativity – Nebraska Brewing Company strives to be a stand-out in an ever growing field.

Nebraska Brewing Company is proud to be a locally owned and locally operated brewpub in Papillion, Nebraska. Small, independent, and pushing the envelope.
